Analysis and Insights of WeRateDogs Twitter Archive

Dog Rating distribution
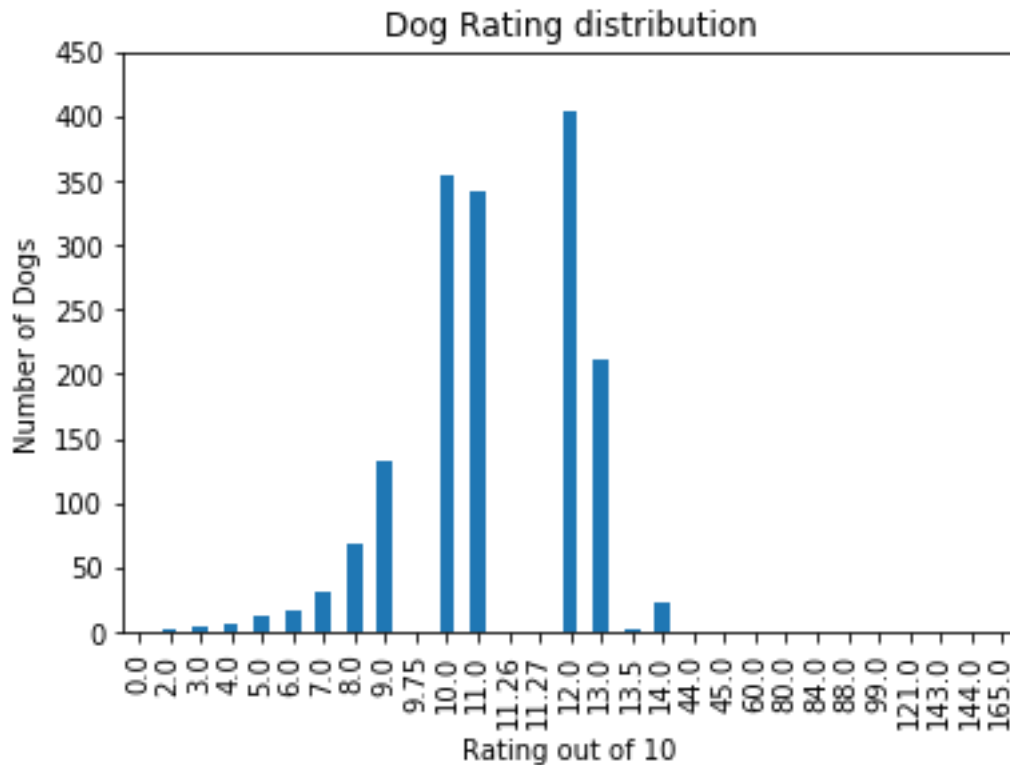

Most of the dogs are rated 12/10. Excluding the 2 rating outliers (420 and 1776), the highest rating received by any dog is 14/10. So, we can say that WeRateDogs is probably very conservative when it comes to rating a dog the highest.
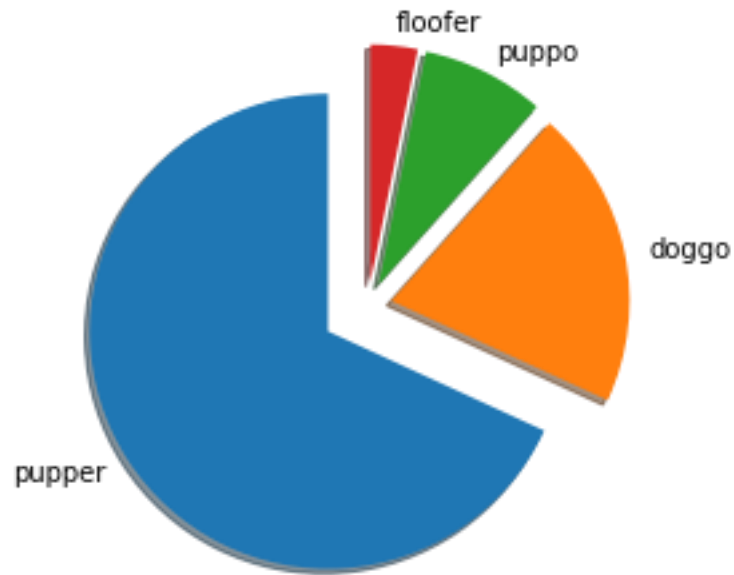

As you can see, most of the dogs in WeRateDogs twitter archive are in the "pupper" stage. Surprisingly, they also have the lowest mean rating.
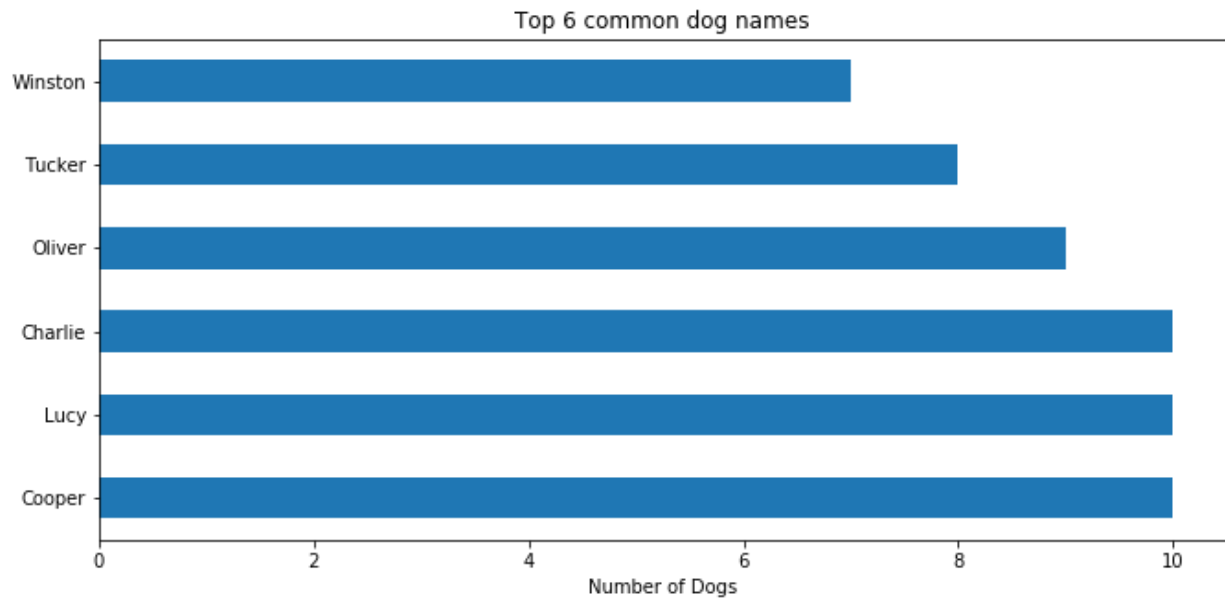

Most used Twitter source
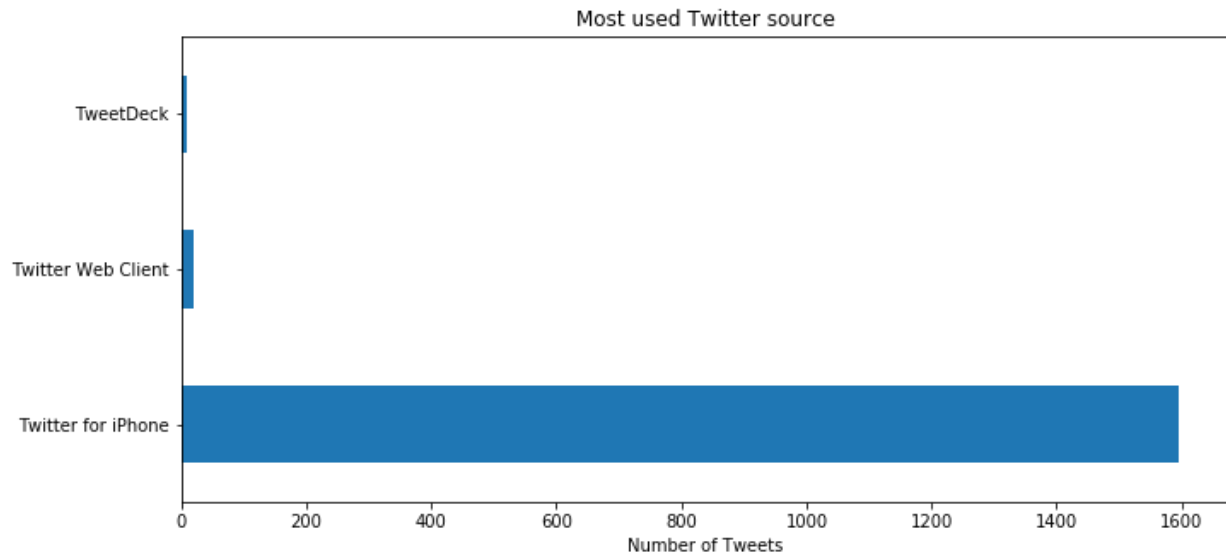

WeRateDogs has posted 98.2% of the tweets from iPhone.

Out of the 1625 tweets, 1596 were posted from iPhone. Just a confirmation that the only mobile device WeRateDogs uses to post tweets is an iPhone.
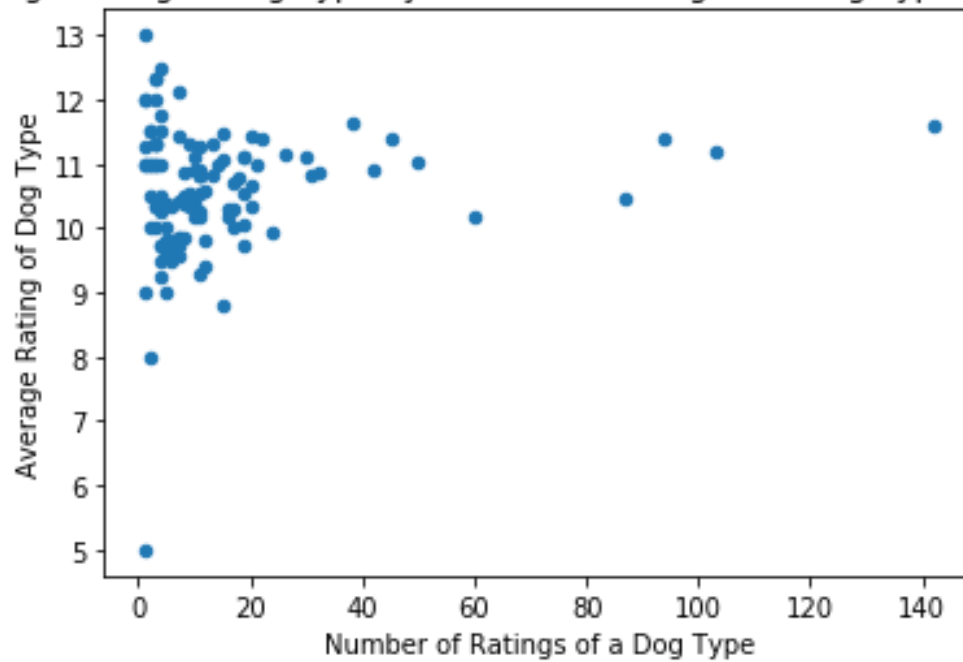

Retweet Counts by Ratings Scatter Plot
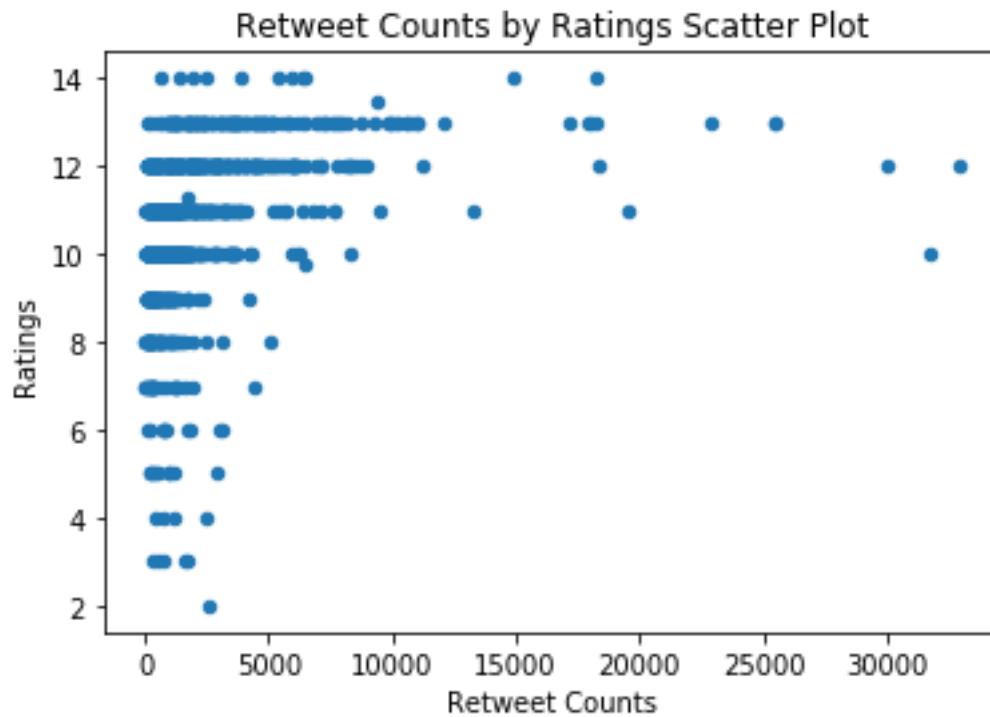

We can infer from the above scatter plot that, the highest ratings do not receive the most retweets.
